## JESSNER'S PEEL \$125

The Jessner's Peel is excellent for all skin types. It smoothes and rejuvenates the skin producing beautiful results in treating mild to severe acne, discoloration, moderate wrinkling, and sun damage. Peeling the neck, hands and decollate' is very popular as well.

The Jessner's Peel gives a beautiful result to patients with acneic, oily or thicker skin. This is due in fact to the decrease of oil production and open clogged sebaceous follicles which are relieved. It also contributes to the healing process of acne.

The Jessner's Peel is a combination of resorcinol, latic and salacylic acid which gives deeper penetration. Hence exfoliation is created and skin is seamless and pristine when complete. Essentially it is a 3-4 day process of peeling and you receive a beautiful result within a week due to the boost of metabolic homeostasis that occurs.

## MICRODERM Rx's \$75

Package of 6 \$295 (Normally \$450)

- No redness
- No irritation
- No potentially harmful side effects as with aluminum oxide
- The only way to safely treat the lips and entire eye area

Our proprietary, medical-grade sodium bicarbonate (baking soda) crystals are clinically proven to achieve the same depth of abrasion as aluminum oxide. Yet unlike aluminum oxide, exposure to baking soda is not potentially harmful and will not irritate even the most sensitive skin. Immediately following the treatment, skin will have a vibrant, healthy appearance and a smooth texture. No redness, no downtime.

Baking soda crystals safely treat the two age-revealing areas avoided by other machines:

Eye Area	Lips
* Fine Lines	* Dry Lips
* Wrinkles	* Chapped Lips
* Blemishes	* Lipstick "Bleed Lines"
* Age Sun Spots	
* Dark Circles'	
* Millia
